QUESTIONS:

1. Are you currently enrolled in a film/video program at a post-secondary institution or have ever studied film in an educational program?

☐ yes ☐ no

If **yes** - where: _____ year of study: _____

Please state what opportunity the Video Project affords you outside of your studies:

2. Have you ever created a film or video that has been screened publicly?

☐ yes ☐ no

If yes, what are the works and where have they been submitted:

3. Why is being in the Video Project important to you?

**4. What type of filmmaking/video making are you interested in and why?
(eg. documentary, fiction, experimental, animation, etc.)**

5. In the video project you will be paired up with a professional artist as a mentor*. What are you looking for in a mentor?

*Video Project Mentorship: Each participant will be paired up with a professional artist or industry expert to give advice on the process of video-making. Mentors speak from experience and provide an outside perspective and give valuable insight into strategies to create and complete a video piece. You will meet with them throughout the program and approximately ten hours is dedicated to this process during the Video Project.
